SUBJECT: Alfred Conrad

Dear Harry:

I certainly hate to bother you again concerning Alfred Conrad, but I really do need more information.

Perhaps, you could send us a copy of his registration record from your files. If you have his birth date and registration records, a photocopy of this information that is in your files would help us in having some personal information. It is necessary to have his birth date and any personal description to identify him. Sometimes, the application tells us his employment or other Scouting affiliation over the past. Any type of information which you could send would help us to identify him to complete the situation, since you indicated that he was convicted and sentenced related to the morals charge.

I really need more personal information, and physical characteristics if this is available anywhere.

Sincerely,

Paul I. Ernst, Director

PERSONAL AND CONFIDENTIAL

Dear Harry:

We are again writing concerning Alfred Conrad and the fact that we have not received any additional information from you. I understand how difficult it is to get information when some time has passed, but if you could complete a Confidential Record Sheet from the registration files which you have in your office, this would at least give us some of the information which we need.

We would also like to know if you could send us any newspaper clippings concerning his sentencing or arrest. This would help to strengthen our files and give us information to what had actually happened related to the case.

My difficulty is that many times neither you or I are on our same job when an inquiry comes in. It is very difficult to refuse registration unless our files are very complete. The legal world today also makes it more difficult to do some of those things which we have tried to do for years.

Sincerely,

Paul I. Ernst, Director

PERSONAL AND CONFIDENTIAL

Dear Harry:

Thank you for your letter of February 17, concerning the cases of Alfred Conrad and Fred Cram. At this time we have the information we feel is necessary for Fred Cram, but do need your help regarding Alfred Conrad.

You indicated that Mr. Conrad was convicted and sentenced to five years in jail. Were there any newspaper clippings or other material which you could secure for us? This would be very helpful in strengthening our file.

We would also like for you to complete a confidential record sheet to the best of your ability. I would hope that some information would be available from your registration files which perhaps would give a birthdate or at least a general age range and also any personal information related to employment or family status.

I would certainly appreciate anything you can do for us which would help us to set up a file so we could refuse registration at a later date.

Sincerely,

Dear Paul,

I am writing in regard to your letters of January 26th concerning Alfred J. Conrad and February 3 concerning Fred A. Cram.

In regard to Conrad he was convicted and sentenced to five years in jail. I do not have any additional information regarding him. Staff and volunteers have changed substantially in the last two years and I have been unable to find enough information to fill out a Confidential Record sheet.

In regard to Cram, again I do not have details on what actually happened, however, the indication is that he picked up some youngsters to go to camp but ended up in a motel with them. The unit that he was registered in was due to recharter at the time of his conviction, so we worked through the sponsoring organization letting him know he would not be reregistered and could no longer be registered in Scouting.

Sincerely,

Dear Harry:

During last winter we received a letter from your council concerning Alfred J. Conrad who had been arrested on a morals charge. So far, we have not heard from your council and want to close this case if at all possible. Could you now tell us how this case was settled?

We would also like for you to complete the confidential record sheet which I am enclosing so that we can identify Mr. Conrad wherever he may try to register.

Hi, Paul,

Have been notified today by the Criminal Investigation Division of the State of Maine that one Alfred J. Conrad has been arrested on a morals and sodomy charge. Conrad was registered with the Pine Tree Council on Troop 647, Hallowell, Maine for the years 1979 - 1978 - and 1977 as SA. Address given at that time was 150 Green Street, Apt. 4, Augusta, Maine 04330. Troop 647 was dropped for the year 1980 and picked up again in '81. Conrad has not been registered with the Pine Tree Council since '79 on Troop 647, however, he should be run through your computer, just in case.

Arraignment will be after the first of the year. We will be in touch with the proper information for your confidential file as soon as he is brought to trial.

Cordially,

Haynes B. Harbaugh
